6	<p>Clubs - Update from PG and FS</p> <p>Two issues needing discussion and seeking approval at the meeting:</p> <ul style="list-style-type: none"> • Move to Class4Kids <ul style="list-style-type: none"> ○ PG and FS have been testing the C4K platform both internally and via the Creative Writing club and it has performed well. ○ PG and FS summarised the benefits of the C4K platform discussed at previous meetings (focussing particularly on the ease of use for parents and carers, time saving for the Clubs team and the treasurer and the easy availability of the Glasgow-based platform provider should issues arise). ○ They also summarised the marginal cost increase (£230 pa) over the current platform. ○ The Parent Council agreed that the benefits of the move to the C4K platform far outweighed the additional cost and approved the move to C4K. ○ PG and FS to roll-out C4K platform for clubs at time of next registration and the Council noted the clear plan and timetable for the roll-out and agreed it was deliverable. • ASN and Child Protection <ul style="list-style-type: none"> ○ PG (and doorkeepers) regularly have to take quick decisions on ASN and protection issues and PG is concerned at the risk to all stakeholders with this approach ○ Further work is being done in the enrolment process to try spot and alleviate issues in advance. ○ However, issues will still arise and PGs recommendation is that a Manager is employed to deal with these issues at the school during club hours. PG has identified a suitable candidate. ○ The Parent Council considered the risks described by PG and felt that the solution proposed was suitable and reasonable and that the costs could be managed through Club subscriptions as required. ○ The meeting approved the employment and payment of the Manager as recommended by PG. • Other points relating to Clubs <ul style="list-style-type: none"> ○ Swimming Pool may be available for Club use for next term, subject to final minor works and H&S assessment.
